

The Boy from BC City **(to the tune of the Boy From New York City)**

Lyrics By Tiffany Corbin for the fabulous GARY JONES

Ooo wah, ooo wah you'll be so pretty
Once you've met the boy from BC City

He knows it all!
He's really fine
His products take away all your lines!
And he's neat
And oh so sweet
When he talks that MRP
Ooh, It's such a treat
Ooo whee, you ought to come and see
All he knows
It really shows

Ooo wah, ooo wah he's one cool kitty
Talkin' 'bout the boy from BC City

He knows what's down
And he's no clown
He has the best repair I've ever seen in town
He'll make you cute
He'll get to the root
Of your skincare issues, soon they be will be moot
Ooo whee, you've got to go and read
His weekly blog
You'll be agog!

Every time he says "new products"
Chills run down my spine
Every time he works his magic
He makes us look so fine

Ooo wah, ooo wah you'll be so pretty
Once you've met the boy from BC City

So take a chance
With just one glance
You'll see the difference
And you'll want to dance!

TFF Eye
Will change your life
And you'll never, ever want to say goodbye
Ooo whee, when you see him you'll believe
He's the most
From coast to coast

Ooo wah, ooo wah, he's one cool kitty
Talkin' 'bout the boy from BC City

Ooo wah, ooo wah you'll be so pretty
Once you've met the boy from BC City

Ooo wah, ooo Did I mention he's witty?
That very special boy from BC City!

Ooo wah, ooo Here's the nitty gritty -
Gary is the boy from BC City!!!!!!!
