

Don't Stop Believin' (BC Style)

Lyrics by Tiffany Corbin and Kitty Barrow

(Intro 8 measures)

Just a small dream girl, Livin' in a lonely world
She didn't know that she could go anywhere

Just an Island Boy, From Puerto Rico, not South Detroit
He didn't know that he could go anywhere

(Break 8 measures)

A Spa Girl in a living room, Relaxation that's just for you!
Share the dream and you change a life!
It goes on and on and on and on

Spa girls, sharing
Do this and you get a reward - Diamonds, money all the time.
BC people
Yes, we have the Magic Potion - Erases wrinkles in the night

(Break 4 measures)

Not scraping by like others will, Growing leaders is such a thrill
Share the dream that'll change a life just one more time

All can win, none will lose, Nobody has to sing the blues
Oh, the bonuses never end
They go on and on and on and on

Spa girls, sharing
Do this and you get a reward - Diamonds, money all the time.
BC people
Sharing is the Magic Potion - Erases troubles every time!

(guitar solo 8 measures)

Don't stop believin'
Hold on to that feelin'
BC people

Don't stop believin'
Hold on to that feelin'
BC people

Don't stop believin'
Hold on TO THAT FEELING
BC people!!
