

Something to Talk About

Lyrics by Tiffany Corbin

People are talkin, talkin 'bout people
I hear them whisper, you won't believe it
They think we're younger is it any wonder?
I'd just ignore it, but they keep sayin
We have some missing fine lines
They can't see the pores on your nose
They stare just a little too long
I think they're seeing, somethin we know, Darlin'

Chorus

Let's give 'em something to talk about
Let's give 'em something to talk about
Let's give 'em something to talk about
How about SPA?

I feel so foolish, I never noticed
They need the money, they could be spa girls also
They need the products, and it's no wonder
Been using that pink lady's something or other!
Spa a little every day
Spa a little every night
Soon they can feel the same way
Now that we know it, let's really show it, Darlin'

Bridge x2

Let's give 'em something to talk about
A little magic to figure out
Let's give 'em something to talk about
How about spa, spa, spa??
