YOUR FIRST \$300 in FREE PRODUCTS from ORDERING... HOW IT WORKS:

For each month, when you order \$750+ in retail products with your membership ID number (aka consultant #) and you have at least 4 spa sessions posted online at www.beautinet.com you can choose any \$100 product pack that you saw on page 1! ☺

Q&A:

- 1. Do I have to sell \$750 or just order a total of \$750? ANSWER:** It can be both! You can share products with friends and family, you can order personal products for yourself to use or products you want to have on hand to sell. Any combination of any of those is fine. You just have to make sure that the total retail ordered in 1 month is \$750 in retail.
- 2. What is a spa? Do I have to hold big spa parties for it to count? ANSWER:** A spa is simply SHARING the products you love. When you share with at least 2 people or more at the same time, it's a spa! You post it online and when you have at least 4 posted plus your orders, choose your FREE package!
- 3. Can I only choose one of each product package or can I choose multiples of the same one? ANSWER:** You can choose any combination of your choice.
- 4. Do I have to order the packages or do they just mail them to me as soon as I earn it? ANSWER:** Your product packages you will choose online. They will ship them out with your next order.
- 5. How do I post spa sessions, where I am sharing products with friends & family, online? ANSWER:** go to www.beautinet.com → put your mouse over the word SPA → click on BOOKING CALENDAR → Click on NEW EVENT → check SPA ESCAPE and hit CONTINUE → (keep yourself as the hostess but add in whatever information you want into the INFO box below) and add in date and time → click BOOK & you're done! ☺
- 6. How do I place my orders online? ANSWER:** go to www.beautinet.com → put your mouse over the word PRODUCT → click on ORDER PRODUCTS! ☺
- 7. Does the \$750 have to be one order or can it be total orders combined? ANSWER:** It can be the total of all of the orders that you place! ☺
- 8. Do the people I share products with have to pay full price or can I share my discount with them? ANSWER:** That is completely up to you! You can have them pay regular price and you make up to 50% profit CASH in your pocket. You could share a little of your discount with them, like 10-15% etc and keep the rest as profit in your pocket, or you could share all of your discount with them and just not worry about making any extra cash. It is up to you! ☺
- 9. When I go to BeautiU, if I place an order there does that count towards my \$750 retail? ANSWER:** Yes, as long as you have at least 4 spa sessions posted online.

How it Works:

When you add 3 “qualified” Team Members within your first 3 months, you will earn a \$100 for each of them in free product packages from page 1! 😊*

So, who will you share this incredible opportunity with?

😊* = The person you sign up does have to place a qualified order in their first 60 days for you to get the \$100 product package.

Q&A:

- 1. What does it mean to sign someone up?** It means that they get either our \$125 or our \$385 membership package, just like you did.
- 2. How do I sign someone up?** First you need the Independent Consultant Agreement form. Help her complete the information (name, phone, email, address, social, payment info etc.). Then call the person who signed you up (aka your recruiter) or your Director (Tiffany Corbin 803-233-6227) and one of these two people can help you sign them up on-line through BeautiNet.
- 3. What is a qualified order that it talks about above?** A “qualifying” order means that your new team member either choose the \$385 membership or she takes advantage of her “one-time” offer to order \$500 Retail at 50% off within 14 days of joining, or \$1000 in their first 60 days total combined.
- 4. What is the benefit to me of signing someone up?** Well, other than giving that person the same amazing opportunity you were given, you will have the chance to earn that \$100 free product pack for signing them up, & BeautiControl will pay you 4% commission on anything your new team members orders in a month when you order at least \$150 in retail yourself in that month! When you add 3, you can be a VIP who gets at least 50% off all the time!!
